## PROFILE

Experienced Web designer with over 1.5 years of experience at Ducktale IT Services, proficient in creating visually appealing and functional websites that exceed client expectations. Seeking an opportunity to leverage technical skills and a strong desire to learn to drive organizational success.

## WORK EXPERIENCE(1.5+ Years)

### DUCKTALE IT SERVICES (2022 - 2024)

#### Web Designer

- Worked on 15+ Projects.
- Collaborated with the development team to build user-friendly websites.
- Designed responsive websites tailored to client needs.
- Created visually appealing UI designs using Figma and converted them to HTML.
- Designed mockups prioritizing user experience and responsiveness.

## PROJECTS

#### Invozio

- Implemented UI and responsive design strategies to enhance usability across devices.

#### Pablo

- Contributed to UI/UX designs by creating responsive layouts for both frontend and admin panels, aligning with client objectives.

#### E-commerce Website (Personal Project)

- Developed a fully functional and responsive e-commerce website for selling shoes using WordPress with Elementor, enabling users to easily purchase products.
